

*This entry uses p 279, 4.16.88 as a model for an article obtained on EBSCO as a PDF or full-text version. It is a relatively complete entry that helps the user find the article directly, or through a specific database search on the title and authors. Note that the last line of this reference is adapted from APA p 273, 4.16.8.7 The EBSCO version of the article may be a scanned copy, and not the actual article as posted on the Journal's Web site.*

Almashari, M. Zairi, M., & Alathari, A. (2002). An empirical study of the impact of knowledge management on organizational performance. *Journal of Computer Information Systems*, 42, 74-82. Retrieved June 20, 2003, from Business Source Premier database. Archived at <http://search.epnet.com/direct.asp?an=7344705&db=buh&tg=AN>

---

*The same reference could also be listed in the following format from p 272, 4.16.71:*

Almashari, M. Zairi, M., & Alathari, A. (2002). An empirical study of the impact of knowledge management on organizational performance. *Journal of Computer Information Systems*, 42, 74-82. Retrieved June 20, 2003, from <http://search.epnet.com/direct.asp?an=7344705&db=buh&tg=AN>

---

*This format omits the URL, database information and retrieval date, and is a minimal reference entry that omits search keywords and a URL. See p 271, 4.16.71.*

Almashari, M. Zairi, M., & Alathari, A. (2002). An empirical study of the impact of knowledge management on organizational performance. [Electronic version]. *Journal of Computer Information Systems*, 42, 74-82.
